

## TSU Order Placement Contact Information:

### Lamps & Parts: Sales Mgr. Jim Peek

Office: 317-217-1700 ext 477

Cell: 317-710-2476

Email [jim@tanningsuppliesunlimited.com](mailto:jim@tanningsuppliesunlimited.com)

Note: When calling to order lamps/parts it will speed up the call if you can provide a picture of the equipment exposure label & Serial # plate as this will insure that we can select the correct OEM/ approved compatible lamp or part as they often change each model year.. Facetiming can also speed up the lamp/part verification process.

### Lotions & (AquaCool/Aroma)

Email Orders to: [orders@tanningsuppliesunlimited.com](mailto:orders@tanningsuppliesunlimited.com)

Contact #: 877-307-843 Ask for Barb Seitz or Shannon Tope

### Tanning Equipment & General Questions:VP Sales Bill Pipp

Phone: 317-690-3642

Email: [bill@tanningsuppliesunlimited.com](mailto:bill@tanningsuppliesunlimited.com)

### Equipment Technical Support: Installation/Tech Support Mgr. David Moore

Office: 317-217-1700 ext: 479

Cell: 317-362-2088

Email: [david@tanningsuppliesunlimited.com](mailto:david@tanningsuppliesunlimited.com)

Note: When calling it is best if you can provide pictures and/or call on cell phone so you can facetime to better diagnose issue or provide hands-on support. Texting a picture of the Serial # plate will speed up the process as it will provide the manufacture date & serial # of the tanning unit.
