TANNING SUPPLIES UNLIMITED ANNOUNCES NEW VICE PRESIDENT OF SALES

Tanning Supplies Unlimited, a National Tanning Distributor of KBL tanning equipment, lamps, parts, premier indoor tanning lotion, accessories, and UltraSun International parts and lamps has appointed Bill Pipp as Vice President of Sales.

INDIANAPOLIS, IN, January 20th, 2019 – Bill Pipp is a 20-plus year indoor tanning veteran with an impressive resume, including Partner/Chief Sales Officer-Global Sales for New Sunshine Holding LLC, Chief Executive Officer for ETS LLC, and Vice President Global Sales for Australian Gold LLC. Pipp also co-founded the Indoor Tanning Association, where he drafted bylaws, served as President and Executive Committee board member, thereafter. He worked tirelessly with industry leaders over the years including researchers and scientists around the world on natural and artificial UV light exposure. He has testified and made presentations to the FDA committees on industry related science, technology and innovation.

“We are the fastest growing tanning distributor/importer in North America and believe that with Bill Pipp’s knowledge we can continue to grow our company and take it to the next level in customer support and service. We have gained one of the brightest minds in the industry with so much knowledge to join our team” said Michael Gilley President of Tanning Supplies Unlimited.

Tanning Supplies Unlimited is a family run business, headquartered in Indiana. They are a national distributor of KBL tanning equipment, UltraSun International lamps and parts, tanning lamps, parts, premier indoor tanning lotions, and accessories for the indoor tanning industry. Tanning Supplies Unlimited currently operates from a 54,000 square foot distribution facility on the East side of Indianapolis.

Tanning Supplies Unlimited... A different kind of distributor.
